1.03 How do I get a Liquid UI for iOS trial license?

Explore the Liquid UI for iOS app with free trials and downloads that let you work on the complete SAP GUI on your iOS device with a productive and intuitive UI. You can request a trial license for Liquid UI for iOS in two ways as listed below:

- 1. <u>To request a license from the app</u>
- 2. To request a license from the website

The validity of the trial license is 30 days, after which it will expire, and the authority has to decide to evaluate the software and determine whether to purchase the non-trial version of the software. To get the Liquid UI for iOS trial license, please do the following.

To request a free trial license from the app:

1. Open the Liquid UI for iOS app and tap the **Navigation Drawer** in the upper right-hand corner of the screen.

Note: Without a valid license, you are restricted to connecting to two SAP connections and have a 150-packet limit between the app and server. If you want to access the full functionality of Liquid UI for iOS, you need to send a license request to Synactive through **License Assistance** from the Liquid UI for iOS app.

To request a free trial license from the website:

1. Open <u>this link</u> in the web browser, fill out the required information in the form, and click **GET STARTED NOW**.
